A CHRISTMAS GIFT

for you

Three pages to color from
The Alpha King's Christmas Promise

One of them, a quiet Christmas morning of ribbons and gifts,
isn't in the book at all. It's just for my newsletter readers.

Print them on plain letter paper, or color them on your tablet
in any coloring app. Then put the story on and color while you listen.

With love,

ALORA C. KANE

Midnight Crown Stories

“Shut that, please.
I’ve only just got the room warm.”

“I have men who can do that.”
“Yes, but you’re here.”

A Christmas Morning
There were still ribbons to tie.
